Press Release: 71/2023

Date:15.09.2023

As per policy of TNPSC to continuously improve systems and adopt best practices to ensure more transparency and accountability in Public recruitment, today the Hon'ble Commission has decided to mask the identity of the candidates such as Name, Photograph, Date of Birth etc., appearing for Oral Test and candidates will now be introduced to Interview Boards by Alphabet names such as candidate A,B,C,D etc. This new intervention along with the already existent practice of Oral Test random Shuffling will ensure the anonymity of the candidates thereby enhancing transparency at the stage of Oral Test.
